## 2021 Q1 North America Toll Data

### Coverage & Statistics

We maintain 2955 physical toll plaza locations across North America. At each toll plaza, toll costs for cash and discount toll programs, ticket and barrier systems, time of day variations, and vehicle dimensions based on weight, axle count, and trailer count are modeled depending on how the tolling authority set rates.

## Toll Discount Programs

Many tolling authorities offer standard discount plans to receive discounted toll rates when traveling on participating roadways. Below is a list of the supported discount programs:

## 2021 Q1 North America Places Data

### Coverage & Statistics

Trimble MAPS products provide the ability to search, display and route to millions of business points of interest. Called “Places,” these locations are verified by Infogroup®, a leading provider of business data. Trimble MAPS also maintains a unique set of truck-specific Places including truck stops, intermodal terminals, weigh stations and rest areas. Places are located strategically for truck access and provide a safe way for drivers to access businesses most relevant to them.
